

AFRICA FOR SDGS

NEWS LETTER

ACTIVATE | INNOVATE | IMPLEMENT | SCALE

AUGUST 2025

EXECUTIVE SUMMARY : CEO'S MONTHLY UPDATE

As the curtains close on what has been a truly remarkable month, I'm filled with immense pride and gratitude for the incredible momentum we've built across Africa. August was not just a period of activity; it was a testament to our collective commitment to empowering communities and cultivating a new generation of leaders who are ready to drive sustainable change.

Our work this month, from the Global Citizenship Education Program in Rwanda to the Global Coaches Programs in Tanzania and Madagascar, shows our strategic focus on equipping youth with the skills and mindset to become proactive changemakers. These programs are not just about training; they're about building a powerful global network of young leaders who are now part of our Africa for SDGs family.

We also made significant strides in direct community impact. The Women L.I.F.E. program in Kisumu, Kenya, directly empowered women and girls with vital skills in financial literacy and entrepreneurship, while our workshop in Nairobi on sustainable agriculture provided communities with the tools for economic and food security. These initiatives champion the SDGs by tackling poverty, promoting gender equality, and ensuring zero hunger at the grassroots level.

Finally, the enthusiasm from our university chapters at North Coast Medical Training College and Pwani University demonstrates the incredible power of youth-led action. Their efforts in mangrove planting and club recruitment show that the movement for a sustainable future is growing and thriving.

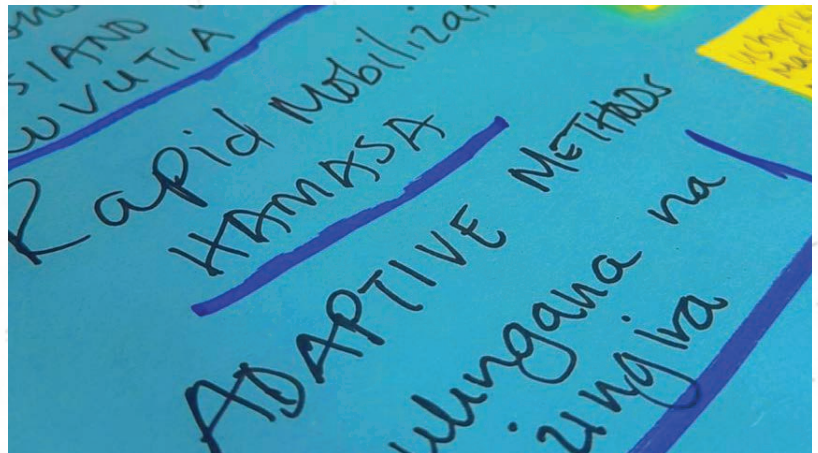

I extend my deepest thanks to all our partners, dedicated staff, and, most importantly, our passionate participants. Your belief in our mission is what makes this work possible. We are more energized than ever to continue our journey and build a more sustainable and prosperous future for all.

Dr. Joe Bonga
CEO, Africa for SDGs

THE AFRICA FOR SDGS FELLOWS PROGRAM: GLOBAL COACHES TANZANIA EDITION

AUG 14-17
Dar es Salaam, Tanzania

The Africa for SDGs Fellows program: Global Coaches Tanzania Edition was a huge success in Dar es Salaam, focusing on this dynamic youth demographic! We believe that to equip and empower individuals across Africa, it's crucial to collaborate with like-minded individuals, organizations, and institutions.

We brought together coaches and fellows to provide the skills, knowledge, and values necessary for youth to actively engage in participatory, community-led development. The training in Dar es Salaam focused on leadership, innovation, and entrepreneurship to shift mindsets and inspire innovative, impact-driven solutions to local challenges. We are raising a generation of young leaders who can shape a sustainable future and ensure their solutions remain relevant in both local and global contexts.

AFRICA FOR SDGS: EMPOWERING THE LAKE VICTORIA REGION THROUGH THE WOMEN L.I.F.E PROGRAM

AUGUST 16TH
Kisumu

Africa for SDGs successfully held the Women L.I.F.E. empowerment program at Usare Beach in Kisumu County. The day's activities focused on Leadership, Innovation, Financial literacy, and Entrepreneurship, with participants gaining new skills and knowledge. Women received training in livelihood skills like jik and shampoo making, while girls aged 13-20 were taught menstrual hygiene and provided with sanitary pads.

We are grateful to our partners—including SHOFKO, Aguko Foundation, Equity Bank, Red Cross, and Nuru ya Watoto—for their support. Their contributions made a significant impact on the women, girls, and the wider community, reinforcing our mission to create a positive change in the region.

YOUTH

DAY 2025

Happy International Youth Day to all our fellows, volunteers, and leaders!

Your dedication and passion are the driving force behind the change we want to see.

Thank you for your hard work in building a sustainable and equitable future for all.

AFRICA FOR SDGS - BUILDING SUSTAINABLE COMMUNITIES THROUGH AGRICULTURE

AUGUST 16TH
Nairobi

The Africa for SDGs hub in Nairobi recently hosted a highly successful workshop focused on ‘Building Sustainable Communities Through Agriculture.’ This initiative was designed to champion key SDGs, including SDG 2 (Zero Hunger), SDG 1 (No Poverty), and SDG 12 (Responsible Consumption and Production).

The workshop brought together community members and agricultural experts to share innovative farming techniques, discuss climate-resilient crop management, and explore ways to create localized food systems. By providing these practical skills and fostering knowledge-sharing, the event empowered participants to enhance food security, improve livelihoods, and build more resilient and prosperous communities from the ground up.

NORTH COAST MTC SDG CHAPTER MANGROVE RESTORATION

AUGUST 24TH
Kilifi

The North Coast Medical Training College SDG Chapter, in a powerful display of community action, partnered with the Environmental Club and the Rotary Club to successfully hold a mangrove planting event at Majaoni Creek. This initiative directly champions SDG 13 (Climate Action), SDG 14 (Life Below Water), and SDG 15 (Life on Land).

The newly planted mangroves will serve as a vital defense against coastal erosion, provide a crucial habitat for marine biodiversity, and contribute to carbon sequestration efforts. This collaborative effort not only made a tangible environmental impact but also fostered a sense of shared responsibility and environmental stewardship among students and community members.

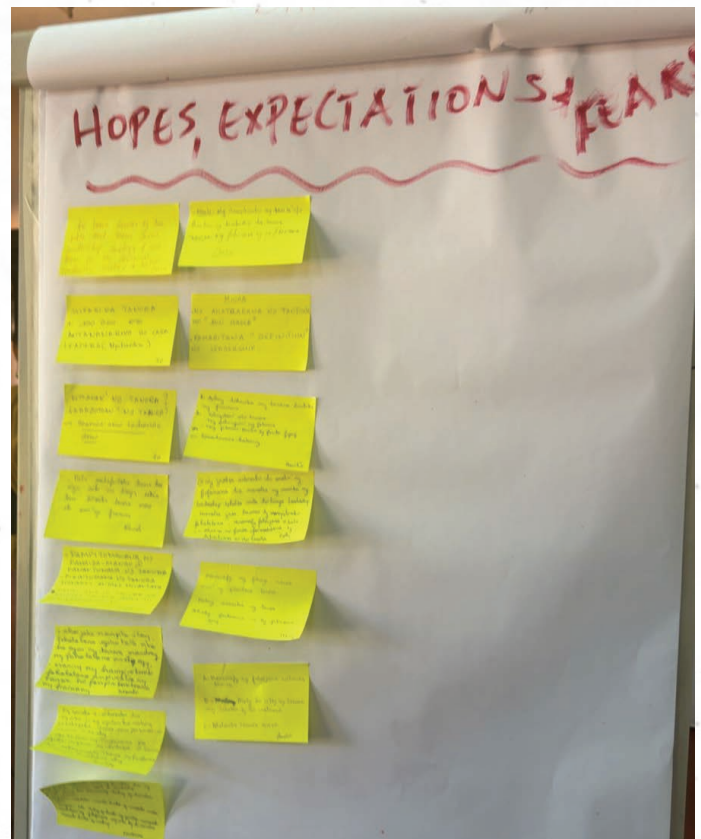

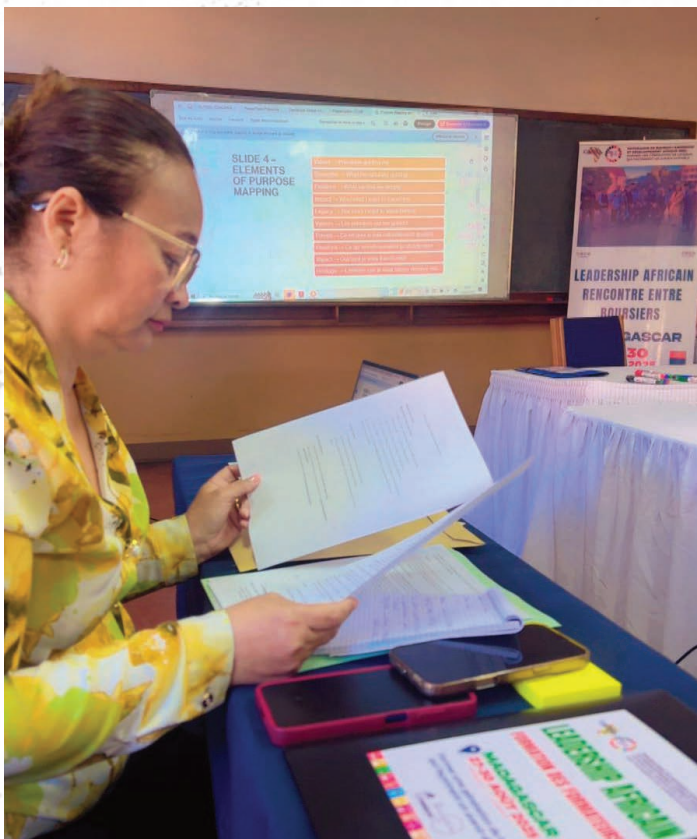

THE AFRICA FOR SDGS GLOBAL COACHES PROGRAM, MADAGASCAR

AUGUST 27-30TH
Madagascar

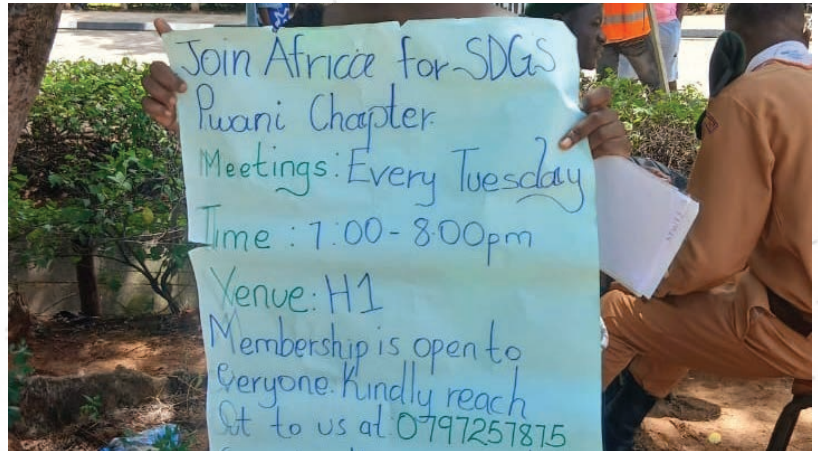

The Africa for SDGs Global Coaches Program in Madagascar successfully equipped young leaders with essential skills, including the specialized training required to become a Global Coach and Certified Master Trainer.

This initiative has formally integrated participants into a vibrant global network of continental and international leaders, providing them with invaluable exposure through the Global Citizenship Experience. The program has effectively laid a foundation for these changemakers to drive future sustainable development efforts.

PWANI UNIVERSITY SDG CHAPTER NEW MEMBERS RECRUITMENT

AUGUST 25TH
Pwani University, Kilifi

The Pwani University SDG Chapter is proud to announce the successful recruitment of a new cohort of passionate SDG club members. This membership drive is a key step in amplifying our mission to raise awareness and mobilize youth action for the Sustainable Development Goals.

By growing our community, we are directly contributing to SDG 4 (Quality Education) and SDG 17 (Partnerships for the Goals) by creating a network of informed and engaged students. The new members bring with them fresh perspectives and energy, strengthening our collective ability to drive change and ensure a sustainable future for their communities and beyond.

THE AFRICA FOR SDGS GLOBAL CITIZENSHIP EDUCATION PROGRAM, RWANDA

AUGUST 21-25TH
Kigali, Rwanda

The Africa for SDGs Global Citizenship Education program in Rwanda equipped participants with the following:

A global perspective and renewed commitment: Participants gained a deeper understanding of interconnected global challenges and their role in addressing them. They left the program with a stronger sense of purpose and a commitment to creating a better world.

New skills and knowledge: The program provided participants with practical skills and knowledge related to the Sustainable Development Goals (SDGs), preparing them to be effective leaders in their communities.

A lasting global community: Through collaboration and the exchange of ideas, participants formed connections that will continue to resonate, creating a powerful network of like-minded individuals dedicated to sustainable development.
